

PLENARY SPEAKERS

Dake Xu (China)

Lecture (tentative title)

Demystifying the MIC Mechanism:
The Central Role of Extracellular
Electron Transfer

Scott Wade (Australia)

Lecture (tentative title)

The Great Wave – A Discussion of
Challenges in Modern Corrosion Research

EXHIBITION

REACH POTENTIAL CUSTOMERS

Connect with more than 1,200 attendees and
present your company to leading scientists and
professionals from around the world.

CONNECT WITH OTHERS

Five days of the Congress and three evening
events provide the perfect opportunity to
connect, network and build relationships in both
formal and informal settings.

INVEST IN THE FUTURE OF YOUR BRAND

Promote your products and solutions at your
exhibition stand and through your dedicated
satellite symposium, reaching professionals
from around the world and strengthening
awareness of your brand.

Should you need any additional information,
please do not hesitate to contact

Ms. Lucie Vavra,
Sponsoring Manager at vavra@guarant.cz.

GLOBAL CORROSION CONGRESS – JOINT EUROCORR AND ICC 2027

**12-16 September 2027,
Prague, Czech Republic,
O2 Univerzum**

In 2027, Prague will host the
Global Corrosion Congress – Joint
EUROCORR & ICC 2027, bringing
together leading experts and
professionals to discuss the latest
findings in corrosion science and
technology.

www.eurocorr-icc2027.org

WELCOME TO GLOBAL CORROSION CONGRESS – JOINT EUROCRR & ICC 2027

BEING HELD IN
O₂ UNIVERSUM, PRAGUE, CZECH REPUBLIC
12-16 SEPTEMBER 2027

THE WORLD OF CORROSION MEETS IN PRAGUE

EUROCRR & ICC 2027 – one congress, two global corrosion communities. Meet leading experts, researchers and industry professionals from across the globe.

SCIENCE. INDUSTRY. DEFENCE.

One congress bringing them all together.

A unique joint workshop with the European Defence Agency focusing on dual-use defence technologies, and the role of corrosion engineering in asset protection and reliability.

8 WORLD-CLASS PLENARY LECTURES

Inspiring perspectives from academia, industry and beyond.

From groundbreaking research into microbially-induced corrosion to a thought-provoking discussion on scientific publishing and the latest challenges in automotive corrosion protection – featuring perspectives from leading international experts and Škoda Auto.

NETWORK LIKE NEVER BEFORE

Connect with researchers, industry leaders and the next generation of corrosion professionals.

SHAPE THE FUTURE OF CORROSION

Emerging technologies. New challenges. Fresh ideas.

Dedicated sessions for young scientists, interdisciplinary collaboration and new opportunities to turn research into real-world applications.

MORE THAN SCIENCE

Technical Exhibition • Photo Contest • Summer School & Training Courses
• Outstanding Networking Opportunities • Inspiring Social Programme

PRAGUE. SCIENCE WITH A VIEW.

Five days in one of Europe's most beautiful and vibrant capitals.

COME FOR THE SCIENCE. STAY FOR PRAGUE.

STUDENTS: GALA DINNER IS ON US.

Free Gala Dinner participation for students.
